

Tuition per student is \$700 for VIQC and FLL. VRC is \$800.

We are committed to supporting underrepresented groups in STEM. To help us achieve this mission, we are offering a tiered tuition structure in order to ensure access for all. The CCR semester program tuition cost is dependent on household income. Each TIER offers a scholarship based on household income.

La matrícula por estudiante es de \$700 para VIQC y FLL. VRC es de \$800. Para obtener una lista de los servicios proporcionados bajo la matrícula, consulte AQUÍ.

Estamos comprometidos a apoyar a los grupos con poca representación en STEM. Para ayudarnos a lograr esta misión, estamos ofreciendo una estructura de matrícula por niveles para garantizar el acceso para todos. El costo de la matrícula del programa semestral CCR depende de los ingresos del hogar. Cada TIER ofrece una beca basada en los ingresos del hogar:
